LB006

Portable group lock box for holding the keys to an isolation while more than one person is working on it. ABS body with a transparent lid, key hooks inside and a carry handle.

TECHNICAL DATA

- **Material:** ABS plastic
- **Key storage:** hang up to 6 keys.
- **Dimensions (L x W x H):** 208 mm x 99 mm x 98 mm
- **Colour:** red

APPLICATION

The keys that lock the isolation devices are hung on the hooks inside, with room for 6 keys, and the lid is closed with a personal padlock for each person through the tabs along its base. The transparent lid shows which keys are held. The carry handle takes the box to the point of work rather than leaving it at a fixed lockout station. Measures 208 mm long, 99 mm wide and 98 mm high.
