- **Padlock hole diameter:** 10.5 mm
- **Colour:** red

SIZES AND STORE SKUS

25mm **SHS004** 38mm **SHS005**

APPLICATION

Fits over an isolation point and takes up to 6 padlocks, one per person working on the isolation. The 10.5 mm holes accept the 6 mm shackles of the padlocks in this range and the 4 mm slim steel shackle. The hasp cannot be removed until every padlock is off. Shackle is metal; the Safety Hasp - Nylon Hasp / Nylon Body is the equivalent where an insulated hasp is specified.
