

Butterfly Handle Cover

STORE SKU
BPH001

Butterfly valve handle cover for pivot handle valves.

TECHNICAL DATA

- **Material:** durable ABS plastic
- **Padlock hole diameter:** 8 mm
- **Fits valve handle size:** 12 mm - 63 mm
- **Colour:** red
- **Lockout points:** 3

APPLICATION

Encloses the pivot handle and holds it against the valve body so it cannot be turned. Fits handles from 12 mm to 63 mm across. Three lockout points allow more than one padlock on the same isolation, taking a shackle up to 8 mm.
