

Electrical Breaker Lockout Circuit Breaker

STORE SKU

EBL001

Compact lockout for miniature circuit breaker toggles.

TECHNICAL DATA

- **Material:** nylon
- **Padlock hole diameter:** 4 mm
- **Colour:** yellow
- **Lockout points:** 1
- **Dimensions (L x W):** 34 mm x 17 mm

APPLICATION

Fits over the toggle on a miniature circuit breaker and holds it in position. Body measures 34 mm by 17 mm, sized to sit between adjacent breakers on a crowded panel. Takes a padlock with a shackle up to 4 mm, narrower than most safety padlocks in the range.
