

Nylon Safety Hasp - LOTO Padlock - Thin

STORE SKU
NSH001

Nylon and ABS hasp sized for padlocks with a thin shackle, for applications where multiple locks are required at a single isolation point.

TECHNICAL DATA

- **Material:** nylon / durable ABS plastic
- **Colour:** yellow
- **Dimensions (L x W):** 105 mm x 62 mm
- **Shackle diameter:** 3 mm
- **Lockout points:** 4

APPLICATION

Fits over an isolation point and takes 4 padlocks, one per person working on the isolation. Sized for a 3 mm shackle, narrower than the 6 mm shackles of the padlocks in this range. The hasp cannot be removed until every padlock is off. Nylon and ABS throughout.
