

Style 4 - LOTO Signage Tag - 10 Pack

STORE SKU

LST04

Write-on safety warning tag with a plastic coated surface, identifying who applied the lockout device and who is authorised to remove it. Supplied in packs of 10.

TECHNICAL DATA

- **Material:** PVC, plastic coated
- **Dimensions:** 85 mm (W) x 156 mm (H) x 0.5 mm (T)
- **Write surface:** reusable, for erasable marker pen
- **Wording and layout:** customisable on order

APPLICATION

Identifies the person who applied a lockout device and the reason for isolation. The write-on surface takes name, department, date, reason and contact details. The plastic coating and the larger 85 mm by 156 mm format suit wet or outdoor isolation points. The tag provides warning information only and no physical restraint; it is used together with a padlock.
